Helmetta Friends & Neighbors:

Hope this correspondence finds you safe and well!

While this upcoming holiday season presents differently, we continue to focus on the safety of our community as we enter the second wave of COVID-19. Please continue to place a strong emphasis on practicing social distancing, wearing face masks and the washing of your hands. Furthermore, it is recommended that you avoid group events and gatherings.

To date, we have seventy-one (71) confirmed COVID positive cases within the Borough. Sadly, five (5) expirations.

While Borough Offices remain open to the public with temperature screenings and the requirement of face coverings, online and remote services are encouraged. Employees are readily available via phone and email to assist. The safety of our residents and employees remain paramount.

It is our intention to provide the uplifting spirit of the holiday season. Please check our website at www.helmettaboro.com for the Holidays in Helmetta socially distanced style events.

While we remain six feet apart, now is the perfect time to come closer at heart. Assist a neighbor, donate to the New Life Food Pantry at St. George's Church, participate in the Spotswood PTA giving tree or our Helping Helmetta with Gifts that Keep on Giving Gift Card Drive.

I certainly look forward to spending the holidays spreading joy to my seniors at work, providing for our community and celebrating my niece's first Christmas.

Thanksgiving blessings and the warmest holiday wishes to you and your family!

Always available,

A handwritten signature in cursive script that reads 'Chris'.

Mayor Chris Slavicek
