

Neighborhood Watch Program

Dear Neighbor,

The Helmetta Police Department, in conjunction with community volunteers from your area, is in the process of organizing a Neighborhood Watch Group in your neighborhood.

The purpose of Neighborhood Watch is to help neighbors help each other. We achieve this goal by organizing and training volunteers to keep their eyes and ears open and report crimes and suspicious incidents to the police. Members meet their neighbors, learn how to make their homes more secure, watch out for each other and the neighborhood, and stay organized to help maintain communications between police and residents.

This program is provided at no expense to the community, and is not mandatory; however, any residents that wish to participate are encouraged by the police department to provide their Neighborhood Watch Block Captain with their contact information, which will aid the Group in organizing.

Through minimal participation, you can greatly enhance the quality of life for you and your family. Please get involved!

Sincerely,

Chief Cully D. Lewis
