A Personal Message from Your Chief of Police

Welcome Helmetta residents and businesses, more applicably welcome neighbors and community members. Recent changes have The Spotswood Police Department tasked with police services in your fine Borough.

Please know that for my entire tenure as a Spotswood Police Officer and longer, Helmetta has always been on our left shoulder and an integral part of our police functions in Spotswood. You may even recall observing Spotswood patrol vehicles in your jurisdiction from time to time.

Moving forward, The Spotswood Police Department looks forward to ushering in a new era and level of police services as we begin to erase the jurisdictional boundaries and integrate our communities into a stakeholder partnership. I would respectfully ask for your patience and understanding as we incorporate the many facets of law enforcement into our established best practices standards.

As this dynamic process unfolds, rest assured that the members of the Spotswood Police Department are committed to providing the finest police services available. Feel free to approach our fine staff as they travel through your area and please do not forget that we still do make house calls!

Our full-service police agency is here to provide you with the following:

- ✓ *Traffic Safety*
- ✓ *Criminal Investigations*
- ✓ *Community Outreach*
- ✓ *School Resource Officer (SRO)*
