*PUBLIC PORTION

During the Public Portion of any Council Meeting members of the Public may only speak on topics of concern to the residents of the Borough. Each individual will be given five minutes to speak as per the Rules to Govern adopted January 2, 2020. During the Public Portion of any meeting, the members of the Public as well as the Governing Body shall be courteous and respectful to one another. No comments and/or behavior that are considered disrespectful, ill-willed or with the intent to harass will be tolerated. If such behavior occurs, then that individual member of the Public will be asked to sit down and his or her turn to speak will be over, even if the five minutes is not.

John Nartowicz, 2 Holly Manor Court stated that in speaking with the Spotswood Police a safety issue was brought up. There is a stop sign on the corner of High Street and George W. Helme Drive and if someone is trying to make a left turn their view is blocked by parked cars. There is an ordinance stipulating that cars must park 25 feet from the corner. Mr. Nartowicz believes that it should be designated with a sign or the curb being painted. The Mayor said he did not believe it had to be designated; Mr. Nartowicz asked him if he could reach out to the Chief.

He also spoke about a letter he received regarding the development of 15 High Street. He is concerned that the elevation is higher, and the water will go into Regency and he was concerned about impervious coverage and parking. Discussion was held on how he obtained this letter.

Jack Kramer, Helmetta Fire Department gave a quarterly update: 84 calls were answered in 2020. During the storm we supplies 3 household with generators for residents who had medical emergencies. We can get more if needed. We checked on them to make sure they did not run out of gas. Some households were running their generators in an unproper areas, so we advised them to move them. We are still not having Bingo and do not know when we can start. This was our money maker, and it has put a strain on us. They are working with the Business Administrator with the purchasing of items and they promise they won't wait until December to purchase items. Testing was done on the hose, ladder, and pump. \$10,000.00 was spent on the tanker truck and this money was raised through Bingo and donations. The Chief truck is over \$7,000.00 and this was done with volunteer labor, donations and Bingo money. The radio project is moving slowly. They will be going before the Planning Board as they would like to replace the lower floor and back area. The old tanker was sold; however, the check bounced, The Mayor asked why they waited so long and they said they were trying to work with them. Their fund drive will be soon started. They would like to put back on the table again the fire truck. The 1982 truck is hurting, and prices are going up.
